PRESS STATEMENT BY MR. A.R. CURREN (MEMBER FOR CHAFFEY).

The South Australian Government has agreed to help the District Council of Barmera in the cost of clearing snags and trees and signposting in Chambers Creek, the Member for Chaffey, Mr. Curren, said today.

Mr. Curren said that the subsidy will be on a one for one basis up to a maximum of \$1,000 on condition that the work is completed by the end of February next year.

"The clearing of snags and trees and the signposting of Chambers Creek, which connects Lake Bonney with the River Murray, will make Chambers Creek navigable to many more boating enthusiasts," he said.

"This is especially important in an area which in the future can expect a great increase in tourist and boating activity".

"The subsidy is part of the Government's concern that tourism should be encouraged as much as possible in the river area", he said.
